RE: Would you like a free £100?

Dear parents and carers,

You can get £100 and free school dinners for your children!

Due to our successful drive last year, we have decided to extend the available £100 per eligible child for another year. If you are eligible and sign up, you will be able to access both £100 and free lunches for your child/ren. "My child already gets free dinners in KS1," you might say, but they can't get them in KS2 unless you sign up for this.

Once 'signed up' you will have access to a fund of £100 throughout the academic year.

This £100 can be used for a range of things school based, including:

- Trips during school time or after school where a donation is asked for by the school.
- School camp.
- Payment of after / before school clubs.
- Any activity in school where a donation is asked for, such as a visitor to the classroom, Languages Breakfast etc.
- School uniform to be purchased from Initially Yours where we have negotiated a payment procedure and where you are able to purchase logoed items.

If you want more information, please go to our website where you can find out more <http://www.stchadsprimaryschool.co.uk/key-information/> . It is an anonymous application, it does not come to the school, instead it goes to the local authority and once accepted, the benefits are yours.

The purpose of the fund is to support academic development and school of course will not hold cash on site. Instead we hold a running tally of spends.

The Governors and I hope that this will help the school further provide great education and also support eligible families with the ongoing demands of having a pupil in school.

Yours sincerely, Mr Brown.

All letters that this can now be found on the school website. Simply click on the tab for parents then follow the link at the bottom to letters.
