Dear Parents / Carers,

As I am sure you have heard in the media, schools have increasingly tight budgets. We continually look to replace old items and keep stocks of items current. As part of that ongoing cycle we have been looking at our musical instruments and are going to be adding to the stock we have. Ahead of us purchasing new instruments we are asking if you have any unwanted musical instruments at home that could be donated to school.

All instruments here at St Chads are used by all year groups from EYFS to Year 6 and are very popular. We all love music here at St Chads and we would love the children to have experiences playing as many different instruments as possible, as frequently as possible.

If you are able to help by donating any instruments you have at home which are no longer needed, that would be brilliant. Some examples of some instruments we use in school are:

Keyboards
Ukuleles
Recorders
Chime bars
Xylophones
Guitars
Small drums
Bells

We don't want to sound ungrateful but we ask only for instruments that are in good working order, so that pupils are able to use them.

If you are able to help please drop the instruments into the school office and they will pass them onto Miss Davies (Year 1, Music Leader).

Thank you in advance

Miss Davies
Year 1
Music Leader

Healthy School

OUTSTANDING
