Co-opted Governor Vacancies

Dear Parent / Carer

The Governing Board of St Chad's currently has vacancies for two co-opted Governors. Co-opted governors are appointed by the board and are people who, in the opinion of the Governing Board, have the skills required to contribute to the effective governance and success of the school. We have had many fantastic co-opted governors along the years who have brought a great deal to the school.

If you feel you have skills and knowledge that you could bring to our Governing Board, are interested in taking an active part in overseeing the school, and would like to know what's involved, then please contact the Chair of Governors through school office to find out more.

Please note, these appointments are not limited to parents or carers of pupils at St Chad's, if you know of someone in your extended family, local community or businesses who could bring appropriate skills then please pass this letter to them and ask them to contact the school. We look forward to working with you in the future.

Yours sincerely

Bill Fry
Chair of Governors
