

# Values for Collective Worship throughout St Chad's 2019-20

**Term 1 – Hope**

**Term 2 – Forgiveness**

**Term 3 – Compassion**

**Term 4 - Thankfulness**

**Term 5 – Trust**

**Term 6 – Friendship**

Weekly assemblies are as follows:

Mon	Tues	Wed	Thurs	Fri
Whole school assembly - Assemblies Team	Key Stage or Class - alternate	Headteacher's assembly - whole school.	Whole School Singing Assembly	ICA

Each term we follow a theme which is taken from Values for Life.

The theme is introduced and followed through all assemblies with a significant exploration of the ideas in the Headteacher's assembly and the Key Stage/class assemblies.

Once a week, pupils are encouraged to nominate a person who they feel has 'lived' the theme, and they need to be able to explain why the person has been nominated. From these nominations, one person is chosen to have the 'Star of the week' award. They get to take this home for a week and get their name and a description of their actions in the newsletter.

Every assembly contains as a minimum a welcome, a candle, an exploration of the theme and a prayer.

Each classroom contains an area where pupils are supported / encouraged to reflect on the theme in ways appropriate to their understanding.

Pupils have shown a deep understanding of the themes as time has progressed and we look forward to them developing this further as they travel through school.
