

## **Free School Meals – May 2020**

Families are being urged to check if their children are eligible for free school meals as the coronavirus crisis creates more hardship. If your salary is reduced as a result of changes caused by the COVID-19 crisis, you may be eligible for support – even if your child is not currently in school. For vulnerable children and children of key workers who are eligible and currently in school, meals will be provided as part of the school day. Eligible children, who are at home, are entitled to receive food vouchers.
