“Learning to love, loving to learn.”

Year 5/6 Home learning – Monday 8th June – Friday 12th June

Dear Parents/Carers,

Hope you are all keeping well and staying safe.

Every week, we will produce a document like this to help you with home learning. As you will see, there is an example timetable that you may choose to use. A routine is always useful but things will work differently for each of you depending on your set up at home and your own child/ren. We do not expect this to be followed rigidly, however you may wish to, which is of course absolutely fine. Equally, you may have seen other activities that you would like to do with your child/ren that are not part of the timetable, which is also fine. All of these activities do not require printing to take place and work can be completed within the exercise book provided.

We would advise, where possible, that the children at least read daily, carry out a daily maths activity, practise spellings/phonics and do an element of physical activity. We would love to hear about what you have been doing via dojo.

Teachers and TAs will call every family at least once a week to check in with you all and see how you are getting on. Teachers will ask to speak to the children too; we ask for you to be present when this is taking place.

Teachers will continue to be available via dojo between 8.30am and 3.30pm Monday to Friday should you have any further questions, updates or would like to share work with them.

Please remember that we are thinking of you all.

Stay safe,

The staff at St Chad's

Please see class story on classdojo and page 2 of this document for weblinks and spelling lists Whitrose maths resources will now be sent via Classdojo

The project this week aims to provide opportunities for your child to learn more about music. Learning may focus on famous musicians, listening to and performing music and exploring a range of music genres and instruments.

<p>Sound Effects</p> <p>Many audio books use sound effects to enhance the retelling of books. Ask your child to think about a narrative that they are currently reading or have read recently. What sound effects would enhance the retelling of the story? Ask your child to source a range of props to help add sound effects and record the retelling of the story with their sound effects.</p>	<p>Carnival Time</p> <p>The Rio carnival is a spectacle of samba, costumes and dance and takes place every year. Here are some of the pictures from this year's parade. Challenge your child to research the samba inspired costumes and headdresses worn during the parades. Ask them to design, label and make their own mask or headdress taking inspiration from the research completed.</p>	<p>Expression</p> <p>Kandinsky felt that he could express emotions and music through colours and shapes within his painting. Ask your child to create a piece of artwork inspired by their favourite piece of music. Encourage them to listen to the music several times and feel free to draw or paint the emotion they feel at the time.</p>
<p>I'm With the Band</p> <p>Ask your child to create their own musical instrument. This could be a cereal box guitar, drums or shakers. They may even want to make a range of instruments to create a family band. Ask your child to decorate their instruments to make them appealing. After this, your child can research which famous musicians perform with their chosen instrument and watch videos of their performance to inspire their own!</p>	<p>Music Video Directors</p> <p>Using the song your child created for their writing task this week, direct them to think about the sort of music video that they could create to go with it. They could storyboard their ideas and think about whether they need any props or even come up with a dance routine before recording it.</p>
