Dear Parents / Carers,

Year R and Year 1 resources

Thinking forward to September, we would really like to further develop the resources used in learning for both our new reception children and our soon to be year one children. We have not previously run year one in quite this way before so do not have as many resources as we would like. Though we are able to purchase a few things to support this change in practice the school budget is extremely tight (as always!) so we are turning to you to see if there is any way you can help! If you have any of the following items at home that you are looking to clear out, please consider bringing them along to school when you collect your child's report. When you collect your child's report, there will be empty boxes out for you to place any items that you wish to donate.

We are looking for:

- Small plastic animals (including arctic / Antarctic animals and African animals), castle themed figures, space themed figures, pirate themed figures
- 6 shirts for fine motor practise (doing up and undoing buttons)
- Dressing up clothes aged 4, 5 and 6
- A small number of pots, pans, baking trays and utensils for music making and a hopeful mud kitchen!
- LEGO (not Duplo)
- Wooden blocks for construction

Thank you in advance for anything you are able to donate; we really appreciate your continued help and support!

Many thanks,

Mrs Ives and the KS1 team
