Dear Parents/Carers,

HARVEST SERVICE

Harvest has always been a special time at St Chad's where we come together to say thank you for the food we have and to think of those who are not as fortunate as ourselves. We are keen to continue this tradition but, as I am sure you can all appreciate, this year's Harvest Service will be a little different! Unfortunately, as much as we would love to invite you all to join us for a celebration at St Chad's Church, the service will have to be held virtually this year. It will take place at St Chad's Church on Sunday 11th October with Rev. Howard and will be viewable online at https://www.youtube.com/channel/UCbyMilDXqFCMBa5_bjVj9ZQ.

For the service, each class will be preparing a song/hymn, which will be recorded in school and will be an exciting part of the Harvest celebration. We hope all our pupils will be able to take part. **Please provide permission via ParentPay for your child to be included in the video, which will be shown on the St Chad's Church Youtube channel by Monday 5th October.**

In addition, we will be celebrating Harvest in school on Friday 9th October and will be viewing a special virtual service delivered by Howard. We would like to again offer our support to the North Bristol Foodbank and invite the children to bring Harvest gifts which would be gratefully received. There is a list of food items needed on their website wish list: <https://northbristol.foodbank.org.uk/give-help/donate-food/>

Please could any donations be brought into school on Friday 9th October so that they can be quarantined over the weekend before donation to North Bristol Foodbank. There will be a box located at the green gates when you drop off your children.

Thank you as always for your support.

Yours sincerely,

Miss Legg
