

South Gloucestershire Community Learning and Skills Service

***FREE course** **Introduction to maths for parents**

Did you struggle to help your child with their maths in lockdown?

We are offering a ***FREE 3 week course** to introduce you to the maths skills your child is learning at school.

The course will:

- Increase parents' and carer's confidence and skills to support their children's acquisition of mathematical concepts and skills.
- Identify activities which help to develop numeracy skills outside of the school environment
- Confidently use the calculation methods used the Primary phase of education

Where:	Filton, Elm Park
How long:	3 weeks – Mondays, 9.30 – 11.30am
Starts:	5 th October 2020

For further details and to book your place, please contact Abi Ball, Community Learning Development Worker on 07860181353 or email abigail.ball@southglos.gov.uk

** For adults aged 19+ with few or no qualifications; or experiencing other barriers to work*
