Re: Reception class 2021 – 2022 Tour dates

In-line with Covid -19 measures, the school is currently unable to hold group tours. If you are hoping to look around our wonderful school, we are able to offer families a one-to-one tour. These tours will be socially distanced and will need to take place outside of the normal school day.

Tours are available on a **Monday 2nd November between 1pm and 3.30pm** or on **Wednesday 4th November between 4pm and 5.15pm.**

Tours are strictly by appointment only and will last about 30 minutes. During this current time, we will only be able to accommodate 2 parents and the child who may be joining the school on the tour. No siblings or additional family members will be allowed. However, we could offer a virtual tour if this works better for you and your family.

There will be restrictions in place to ensure we meet Covid-19 measures so it won't be the usual tour that we are able to offer. We will open Reception and Key Stage One areas for you to view. A member of staff will take you around sharing key information about our school and answering any questions you may have. We also invite you to take a look at our website for further information.

All visitors will be required to sanitise their hands prior to entering the building, sign the track and trace form, confirm that they have no symptoms of Covid-19 and make sure they have a face covering on throughout the visit. We ask all visitors to avoid touching things in school as much as possible.

Please contact the school office if you wish to make an appointment: 01454 866523. (Please note that we have a limited number of face-to-face visits available).

Thank you for your interest in our school. We look forward to meeting you.
