

Unit Title: Unit 2 - Families

What should I know?

- To identify where the Queen lives.
- To revisit what the other countries in the UK are called and know their capital cities.
- To use photos to recognise landmarks of London, special focus on the Queen.
- To sequence events that have happened in the child's lifetime to do with themselves and their family.
- To introduce family tree and think about who the Queen's parents are.
- To know changes within living memory - food - rationing in the war, comparing food now with grandparents experiences, how foods change with the seasons.
- To identify, draw and label the basic parts of the human body and say which part of the body is associated with each sense.
-

What should I know by the end of the unit?

- To identify that the Queen lives in London. She is also the Queen of a number of other countries as well. Locate the countries on a world map.
- To identify the different continents that the countries the Queen rules.
- To know geographical differences in the physical geography of Patchway and an area of Kenya.
- To compare child's family with the Queen's family and be able to create the Queen's family tree.
- To gain evidence of the past through using books and pictures.
- To know changes within living memory - food - rationing in the war, comparing food now with grandparents experiences, how foods change with the seasons.
- To observe and describe how seeds and bulbs grow into mature plants.
- To find out and describe how plants need water, light, and a suitable temperature to grow and stay healthy.

Key Knowledge

Continents and Oceans

The Queen

The Queen rules the Commonwealth Realm as she has a variety of different places of residence throughout the UK, including:

Buckingham Palace

Balmoral

Windsor Castle

Making Links - Remember when you....

- Thinking about different areas around the world and comparing human and physical features.
- Making links between different areas such as Bristol, London and places in non-European countries.
- When we discovered the different continents around the world.
