

### New group class for budding string players

We're delighted to once more be offering exciting, fun classes to budding string players aged between 5 and 7.

Come along to our Development Centre at Little Stoke Primary School and have a go at playing the cello or violin, make new friends and play in a group led by a professional string player. Work towards playing in string ensembles and performing to friends and family. These beginner group lessons last for 40 minutes per week.

No previous musical experience is needed.

**Cost:** £42 per double term (which includes the loan of an instrument\*). This is a special rate for these beginner classes, which would run until the end of the Summer term. After that, we would encourage pupils to continue with shared or individual lessons.

Sign up online at <https://live.paritor.com/p/1748> where you can create an account and enrol for activities. The **Little Stoke Beginner Strings Class** is available under 'Music Centres'. Places are limited and will be offered on a first come, first served basis.

Parents will be required to stay with their children during the session, which will be run in line with current COVID guidance.

Lessons will begin on 9th January 2021 at 11:20am.
