### **Re: Remote learning resources**

Dear Parents/Carers,

Given the short notice of school closures, we were unable to provide exercise books for the children to complete their remote learning in. We are also aware from the previous lockdown that some families don't have access to the internet and will require paper based resources to support learning at home.

We have received confirmation from the Department for Education that states that parents may collect these resources (exercise book and/or paper based remote learning) from school today. So that we can prepare everything, please could I ask that you do the class teacher to say you are coming and that you come between the hours of **12 and 4 today** to collect resources if you wish. Please report to the school office for collection.

We will provide further details about remote learning later today, which will be delivered via Google Classroom. Please see Class Dojo for your passwords that were sent out earlier in the academic year.

Thank you.

Kind regards,

Steph Jenkins  
Headteacher
