

South Gloucestershire Community Learning and Skills Service

Choices – Achieving your Best Life

Personalised support for the challenges of finding work

NEW DATE Patchway Community Centre 14th – 25th June 2021

Are you aged 19+, struggling to find work and need more personalised support?

We are running a 2 week course in June, for unemployed South Gloucestershire residents, to support you with your search for work. The course will take place 10.30am – 2.30pm, Mon – Fri, and we will help you explore your personal ambitions, gain confidence and introduce you to work opportunities. We will also allow you some social and networking time as a group.

Over the 2 weeks, we are offering a choice of modules across core skills' areas, which you can choose from, eg:

- CV, communication and interview skills
- managing your money and benefits in work
- looking at working for yourself
- IT – online job search tips, application templates, etc
- Soft skills, such as confidence, resilience to knock-backs, looking after your health and wellbeing, etc

Alongside this, you will focus on building up a portfolio of pathways into the careers you are interested in, to help you make an informed choice. You will be given access to career coaches and other services and you will receive certification at the end of the course to evidence your achievements, which you can show to prospective employers.

If you or anyone else you know needs more personalised support with finding work, please contact Sam Jones for further information: 07768 293842 or email:
