### **Re: Mrs Medway**

Dear Year 4 Parents/Carers,

I am writing to inform you all of the happy news that Mrs Medway is expecting a baby in mid-October.

At this current time, Mrs Medway intends on starting her maternity leave at the end of September so this should not affect the teaching of the class this academic year if this happens. The current advice is that from 28 weeks, pregnant women are non class-based due to the elevated Covid-19 risk for them. Mrs Medway will reach 28 weeks in the summer holidays - so again, we don't anticipate this affecting her class teaching. However, we will continue to follow the government and medical guidance and update you as soon as possible if things need to change for the safety of Mrs Medway and her baby.

I'm sure you will want to join us in sending Mrs Medway and her partner our very best wishes.

In the meantime, please know that current class arrangements will continue as they have done since September and we will notify you of any further updates if guidance requires.

Yours sincerely,

Steph Jenkins  
Headteacher
