Re: Sports Day

Dear Parents / Carers,

This year, due to the current restrictions, we have had to make some amendments to our usual Sports Day plans. The children will complete Sports Day in their class or phase bubbles to ensure we are working within our risk assessment. The children will complete Sports Day (weather dependent) on the day stated in the table below.

Having received advice from Public Health to operate with extreme caution due to local Covid cases and concerns, we will sadly **NOT** be able to have parents as spectators like we usually would. This is disappointing for us but I am sure you will agree that the safety of the whole community is paramount.

Class	Date
Monday 21 st June	Year 6
Monday 28 th June	Year 5
Monday 5 th July	Year 4
Monday 12 th July	Year 3
Tuesday 22 nd June	Year 2
Tuesday 22 nd June	Year 1
Monday 12 th July	Reception

On your child's sports day as identified above, please could you ensure your child comes to school in P.E kit, it would make it easier for your child to be wearing a t-shirt in the colour of their designated house. If you are unsure of their house team, please ask their class teacher via dojo. As with all PE lessons, if your child wears earrings, please remove them or if this isn't possible, supply suitable tape to cover them up during activities. Long hair should also be tied back. Please could all children come with a jumper, in case it gets a bit chilly, and suncream and a sun hat for hot weather. Children will also require a water bottle.

Obviously, the dates above are weather dependent. If your child's sports day is unable to go ahead, we will try (where possible) to find another suitable date before the end of term.

The Friends, as they always do, have kindly donated an ice pop per child for them to enjoy after sports day. Thank you to the Friends for supplying this; even during the current restrictions, they are continuing to support and provide for the children of the school thanks to the brilliant fundraising that has been taking place. Please let the class teacher know if your child **cannot** have an ice pop.

Once all of the children have competed, I will add up all of the scores and as usual, we will announce the house team winner. The house captains will lift the house cup and we will share this with the children and parents of St Chad's. Parents - please look out for a twitter update near the end of term.

Please contact the school if you have any questions. Thank you for your ongoing support during these times.

Miss Davies
Year 2 Teacher
P.E Lead
