### **Re: Space Dome visit for Y5/6**

Dear Parents / Carers,

We have arranged an exciting visitor to join us as part of our Earth and Space topic during term 2. The plan is for a 'Space Dome' to join us for a workshop on **Friday 5<sup>th</sup> November**. They will be setting up a huge dome in the hall,

***'inspiring the children through a tour of our sun, solar system, galaxy and beyond. Our sun as a star, its birth, death and the evolution of other stars. Refreshing their knowledge about the spin, orbit and axial tilt of the Earth and navigating through the seasonal night sky with the legends from ancient Greek mythology.'***

This will help to inspire the pupils and develop their curiosity about space.

To cover the costs of the experience, we are asking for a contribution of £6.50 per child (there may be a small additional Parent Pay fee). We are currently anticipating for this to be one of two curriculum experiences this year and, in order to spread the costs throughout the year, the other will take place in Term 5.

Please make your contribution via ParentPay and indicate whether you are happy for your child to attend by **Friday 8<sup>th</sup> October**.

If you have any further questions, please feel free to send us a Dojo.

Thank you,

Miss Legg and Miss Topley
