

# THE SPORTS ZONE

## ACTIVE AFTER SCHOOL CLUBS

We believe primary school aged children should have a rounded experience of sport and activity.

So once a week for one hour after school, every school week of the year, we are putting on a sports zone after school club at your school.

Like a normal after school club, we'll meet the children after the end of the school day and then have them ready for you to pick up an hour later.

Children come to the Sports Zone to play sport, stay active, learn new games, hang out with friends & talk with our coaches about their favourite sports.

There are only 15 places per age group - booking is easy on our website with a automated monthly payment. The cost of the club is spread over 11 monthly payments of £16 (less than £5 a session) and you can cancel anytime.

Each group will have a consistent coach each week so that they can build a fantastic relationship! Simply go to [www.futurestarscoaching.co.uk](http://www.futurestarscoaching.co.uk) to book!

**JUST £16 A MONTH  
FOR 36 SESSIONS A YEAR**
