This event is an online session which BN(O) visa holders and applicants can join. It is part of the 'Hong Kong Welcome Programme' in South-West England. The goal is to promote the welcome hub and share information about key aspects of life in the UK. The topic of this session is how to look for reliable information & casework experience sharing.

Participants can send emails to ask questions in advance, leave a comment in chat during the meeting and ask directly during the Question & Answer session.
