

Swift Sports Coaching After School & Breakfast Childcare Club

Commencing June 27th 2022

Dear Parents / Carers,

Swift Sports Coaching are delighted to be offering wrap around breakfast and after school clubs for the children of St Chad's Primary school and to continue our great working relationship with the school and community. We would like to take this opportunity to thank Mrs Jenkins and the school governors for their support and backing. We are extremely excited to welcome new and existing friends to Swift Sports Coaching.

Breakfast Club

We are working tirelessly to get this provision operating as soon as possible. If there is sufficient interest and uptake at the very latest this service will be in place for September 2022. We will be in contact immediately if this is something that can be put in place this academic year. The breakfast club will operate from 7:45am - 9:00am and will cost £3.75 per child and £3.25 for siblings. Fees are paid in advance at the beginning of each term. Spaces can be booked from 1 to 5 days per week but must be the same recurring day over the term, i.e every Monday and Thursday. Adhoc bookings can be made at £4.00 per session, (if spaces are available). In order for the breakfast club to be viable for all to access, we will need minimum numbers of children to attend regularly. If numbers are lower than the threshold, we may have to increase the daily charge very slightly. This is something that we hope to avoid as we are hopeful minimum numbers will be reached and that the children really enjoy attending. Children will have the choice to join structured organised activities or will have a space to enjoy quieter independent activities such as reading, colouring, crafts etc. We will encourage children to use the outdoor space (where appropriate and weather dependent) at the beginning of the session and then come in to have a breakfast food option, i.e cereal, toast and a drink, before choosing a calming activity so that children begin school ready to learn feeling nourished.

After School Club

The Nest after school club will operate from the end of the school day at 3.30pm and continue until 5.30pm starting from Monday 27th June 2022. The cost of each daily session is £6.75 per child inclusive of snacks. Siblings are charged at an additional £6.20 per session. Unfortunately, we are unable to currently accept childcare vouchers/schemes. The club will operate on the school site at St Chad's Primary school. A member

of the Nest team will collect and walk the children in KS1 to the after school club room. Children in KS2 can walk independently to the room.

Once all children are registered they will be given a choice of activities. Choices include; a sports session, arts and craft session, structured play etc. The Nest will be offering a variety of healthy snacks including fruit, cereal bars and toast as well as squash and water. Following the snack / drink break children can use the remaining time at the after school club to explore games with their friends, watch films, play board games, paint and much more.

We are able to offer a maximum of 40 places per day and will need a minimum of 8 children per day on average to operate. Spaces on the club will be allocated on a first come first serve basis. We welcome any feedback or suggestions to help enhance the club provision. Our aim is to create a safe, fun and positive environment for all children to thrive.

Please note the club will operate on an initial trial basis until the end of term 6, 27th June - 20th July 2022. If there is sufficient uptake, Swift Sports Coaching will be in a position to offer these services for the 2022/2023 academic year.
