Dear Parents / Carers,

I am in the process of organising **school health nurse drop in sessions for parents and carers** for next year. The first session will begin with an introduction to the school health nurse team and the support they are able to offer.

The focus for each session is not yet decided and I would appreciate your preferences and ideas so I can make sure we are responding to your needs. Could you please complete a very short questionnaire by following this link:

Further information about session dates will follow.

Please submit a response by 9am Friday 15<sup>th</sup> July.

Thank you for your help,
