

Spring Holiday Challenges

Egg Rolling

Hard boil an egg and paint it however you like. Get people at home to join in too. Then climb a hill and roll your eggs down it - whoever's egg gets to the bottom first wins!

Spring Flower Walk

Go for a walk outside and count how many different flowers you see. You can draw or write a description of them when you get home.

Write a story

Write a short story about your favourite thing you did over the April holidays.

Games night

Play a card or board game with the people you live with. Then write down your experience. Reflect on which parts were your favourite and why.

Dancing raisins

Mix bicarbonate of soda with water, add raisins, then slowly add vinegar. Watch the raisins dance. For more information watch this video:
<http://tiny.cc/dancingraisins>

Shake it up!

See how many words can you make from the phrase:

SUNNY SPRINGTIME

Spring Holiday Challenges

Spring stretches

Do some stretches to get your body moving. For inspiration follow along with this video:
<http://tiny.cc/springstretches>

Chocolate Nests

Make these easy chocolate nests - with only 3 ingredients!
Find the recipe here:
<http://tiny.cc/chocolatenests>

Collect extra Children's University credits during your half-term holidays by completing these challenges. Each activity is worth one credit when you send evidence of your activity to CU@uwe.ac.uk for the stamp code. This could be a photograph, video, worksheet, or writing about what you did.

For more ideas of activities check out:
childrensuniversity.co.uk
