Term Five Clubs

Dear Parents and Carers,

As we move towards Term 5, I thought I would send an update with the clubs on offer at St Chad's next term. As you know, clubs will change each term to enable a wide range of interests to be offered. The aim is to give tasters of a range of experiences allowing children to discover hidden talents, develop themselves further still and most importantly to have fun.

All staff run clubs will begin in the first week of Term 5 (week commencing Monday 17th April 2023).

Staff run clubs on offer to children

New Clubs Starting in Term 5

Sport for All

An opportunity to participate in a range of different sporting activities with your child in the school hall. Some of the different activities include:

- 1) Yoga
- 2) Circuits
- 3) Curling
- 4) Joe Wicks Workouts

STEM Club

STEM club gives children an opportunity to participate in a range of different scientific activities, whilst linking in elements of Computing as well.

If your child is currently on the register for one of these clubs, you do not need to re-register them. However, please let the class teacher or school office know, if they are not going to be participating in the club in Term 5.

When would my child eat their lunch?

The lunchtime clubs will run from 12:30pm – 1pm. All children attending the club will need to eat their lunch from 12pm – 12:30pm. Therefore, it is vital that your child signs up for the club in advance, as we will need to know the children who will need their lunch early.

Externally Run After School Clubs

There will still be an option for children to participate in after school clubs run by external agencies. Please see below the clubs that are available for the children.
