

P.E Newsletter Term 1

What a fantastic term of sport to start 2023-24 academic year. I have really enjoyed seeing all of the children's sporting enthusiasm around the school. This term, KS2 have been improving their Hockey and Dance skills and KS1 have been jumping in different ways and practising movements such as running and dodging to help them apply their knowledge to games scenarios later in the year.

This year, as a school, we are working towards achieving school games mark. We are on target to achieve Gold Mark. If you would like to find out some more about school games, please take a look at their website.

<https://www.yourschoolgames.com/about/what-school-games/>

Over the year, we will be gathering evidence of the fantastic sporting activities we do at St Chad's.

At the end of this term, all classes took part in an intra school competition against another class in the school. Here are the results:

Reception have been getting used to P.E lessons on their own and will be taking part in our competitions next term.

Year 1 and Year 2 have been working on running. We completed some different relay races in our house teams and we thought about the running technique we could use to help us win the race. Cabot team won the races; well done Cabot!

Year 3 and 4 completed a variety of hockey tournaments with our Sports Coach, Mr Baxter. He said all of the children worked really hard and all four house teams ended up with the same amount of goals. What a competitive competition!

Year 5 and 6 also completed a hockey game focusing on their skills they have learned over the term. Mr Baxter worked with the children to focus on teamwork and sportspersonship to support their next term of learning.

At the beginning of October, we were lucky enough to have The Sports Project come and deliver a Rugby Experience Day to kick off the start of the Rugby World Cup.

It was wonderful to see the children really engaged in the activities the coaches had planned for them to do. We have also been lucky enough to have a Rugby club on a Friday delivered by The Sports Project coaches. Please take a look at the website if you are interested in your child joining the club.

Sporting Achievements

I have been really fortunate this term to have so many children share their sporting achievements with me. Here are some of the fantastic achievements of the children. If you would like your child's sporting achievement to be shared in the next newsletter, please send a photo to admin@stchadsprimaryschool.co.uk and they will pass the photos on to Mrs Pryce.

Braydon Y4 received a football trophy from his local team. Well Done Braydon!

Jasmine Y2 has been awarded Dancer of the Day during her dance classes. What a big trophy! Keep it up Jasmine!

North came 2nd and 3rd in her GB kickboxing Grand Slam!

Nicholas Y6 has been working really hard in his Karate class. He has recently moved to yellow belt in his recent grading and is due to move to orange belt in his next grading in November. Superb Nicholas!

Aran Y2 has achieved a new level of competition in Chess. Well done Aran!
